

Visitation Policy Modified

With regard to the no visitation policy to prevent COVID-19 infection, we have modified the policy as below **to allow visitors to meet inpatients in person.**

Visiting hours : 14:00 to 17:00 Mon. to Fri.
Visit time limit : 15 min. at a time (Up to 2 visitors)
Appointment is needed in case of an inpatient staying in a shared room.

Only family members and the patient's emergency contact may visit the inpatient. Please refrain from bringing small children to visit.

Thank you for your understanding in advance.

How to use baggage drop-off point

We are restricting visits as a preventive measure against COVID 19 which may be inconvenient to our inpatients and their families. We apologize for the inconveniences, nevertheless, we highly appreciate your understanding and cooperation.

How to drop off and pick up patient's baggage:

① Service hours

(Mon- Fri) 10:00 – 17:00

(Sat, Sun, and holidays) 09:00 – 12:00

* Please make sure that you use the service within the above timeframe. Any services out of the timeframe could cause inconveniences to other inpatients. Thank you for your understanding in advance.

② Venue: **Mon – Fri: Near the information desk, 1F, Main building**

Sat, Sun, and holidays: Near ER entrance

③ Application form and receipt slip: You need to fill out a form with information such as patient's name, room number, and contents of the baggage.

④ Others: Ward staff regularly pick up and deliver the baggage to patient.

Please refrain from bringing in following items:

① Cash

② Perishable food (either cold or hot) * e.g. ice cream, cold drinks containing ice, and noodles, etc.

③ Food to a patient who is on diet therapy. *Dietitian may talk to patient's food if needed.

④ Knives or the likes, and packages which we cannot see the content.

⑤ Packages delivered on payment on arrival
